Bug report. 1

Title: The error message icon remains in the fields in the registration feature.

Description: When returning to the previous screen, the error message icon continues to appear in the last field in which data was corrected.

Steps to reproduce:

1. Navigate to the registration page.
2. Enter an invalid email address rivkal24gmail.com In the "אימייל לקבלת חשבונות ועדכונים" field, the error icon will appear.
3. Delete the wrong email address, enter a valid email address rivkal24@gmail.com and the icon will disappear.
4. Continue to the next screen and then return to the previous page.

Expected result:

The valid email address will continue to appear in the field, the error icon will not appear.

Actual result:

The valid email address appears in the field, the error icon reappears.

Notes: 1. The bug also happens in the fields of "מס נייד", "עיר מגורים" and the "אישור תנאי השימוש" field.
2. The bug does not prevent continued registration.
